## July 2016 President's Message

Good attendance at the June 26<sup>th</sup> (July) meeting. Swap meet and car show worker sign-ups are looking good. We have eliminated

Monday clean-up, seems like \$300 well spent, and may turn some folks loose to help with layout and beverage cart, which can still use a few more workers.

Swap Meet might be over by the time the newsletter is out but as of now (June 30<sup>th</sup>) it is the biggie.

Fairfield and Spangle tours had rave reviews. Thank you to all who pitched in to make them work. Great write-ups for tours and activities in the June newsletter. Keep up the good work. Don't be shy about stepping up to help a tour leader such as write an article, pictures for newsletter, put the tour name drawing together, etc.

Coming up is the INCCC Scholarship Show & Shine on July 21<sup>st</sup>. Contact Chuck Little for more information.

Camp-out is August 5-6-7 on the Pend Orielle River. Meeting is on Sunday, August 7; potluck

lunch at 1pm, meeting at 2pm. Let BJ know if you will be eating to see which potluck dish to bring.

September meeting on September 11<sup>th</sup> (not 14<sup>th</sup> as previously reported). Seaside OR tour September 8-9-10-11. Contact Howard or Bobbie Welch for more information.

Post swap-meet update: Preliminary numbers look encouraging. The car show was about at the break-even point due to threatening weather. All other pieces look good at this time, before final numbers are in. Workers did a stellar job of signing up, showing up, and getting the job done. Please congratulate each other for a job well done.

Thank you all for your super job on the swap meet.

## EARLY FORD V-8 REGIONAL GROUP #23 GENERAL MEMBERSHIP MEETING MINUTES, JUNE 26, 2016

**Meeting brought to order** by President Tom Dailey at 6:00 p.m. at the Elks Lodge in Spokane Valley, WA. The pledge of allegiance was given by the membership.

**Officers in attendance:** Tom Dailey, president; Howard Welch, vice-president; JoAnn Davis, treasurer; and Bobbie Welch, secretary.

**Guests:** None

**Minutes from the last meeting June 5, 2016:** A motion was made by Annette Long to approve the minutes, seconded by Judy Little. Motion passed.

**Treasurer's Report:** JoAnn Davis reported that all bills have been paid. The bank accounts have been reconciled plus she gave the account balances.

### Committees:

**Camp-out and general meeting August 5<sup>th</sup> thru 7<sup>th</sup>:** Sign-up sheet at the front table, please indicate what days you will be there. BJ Glander needs the sign-up sheet by the middle of July.

**Tours:** John Clark gave a report on the Fairfield Days Parade which was well attended. Jackie Feldmiller helped John out by handing out the candies, etc. and writing an article for the newsletter. The drawing for this tour was won by Chuck and Judy Little.

Howard Welch reported on the Spangle, WA tour June 4<sup>th</sup>. Twenty-six members attended. He thanked Gail Whitman for handling the registration and also thanked Al and Irene Hugill for suggesting and arranging the garage tour at Paul deShields home and lunch at the Harvester Restaurant. Some members opted to continue on to Rockford and others went on home. Everyone seemed to have a good time. The winner of the drawing was Don Pattinson.

Next event will be the camp-out and general meeting August 5<sup>th</sup> thru the 7<sup>th</sup> at Pend Oreille River. Please sign-up if you plan to attend. There are no other tours planned for August but I am trying to put together a short cruise somewhere and have dinner. Let me know if you have any suggestions.

September 8<sup>th</sup> thru 11<sup>th</sup> is Seaside, Oregon, Wheels and Waves Car Show. Sign-up sheet is at the front table along with information on hotels, RV Parking and activities.

October George and Jackie Feldmiller are putting together a tour. Information will follow.

Tom Dailey said that help with these tours is always appreciated.

**Sunshine:** Brigitte Leidel sent cards to Dick Lawton and Jim Langstaff. One of the members reported that Kelli

Pemble had a heart attack but is now out of the hospital and doing well.

**Swap Meet:** Chuck Little said we only have two weeks to go before the swap meet. So far 550 vendor spots have been sold which is very close to last year. There is a sign-up sheet at the front table for gates and set-up. The clean-up on Monday will be done by the Fair Grounds as it is only \$300.00. Need volunteers for the refreshment-cart. The Board okay'd a new banner to be used at the club membership booth. Judy Little and Darleene Boller will be manning that booth but need other volunteers. Chuck explained about the advertising costs and sponsorships.

Renee Shawgo still needs some volunteers to take tickets and Sunday donations. Mack Cain and Carol Black stepped up to the plate.

BJ Glander said she needs volunteers for Thurs 11:00 to 3:00 and Sunday 6:00 – 8:00 at the vendor gate. Norma Skidmore and Millie Howell volunteered.

**Sales:** Walda Cameron is touring the US with her sisters in a motor home and two dogs. Merchandise has been brought in that belonged to a former member and is at one of the front tables. The T-shirts are free but the other items are available to purchase. Caren Easterly brought in some yellow swap meet t-shirts that the members can have and they are at the same table.

**Website/Newsletter:** Becky Swenson did not have anything new. She thanked those that contributed articles for the last newsletter.

**Ladies Luncheon:** Vonnie Satchwell was absent. Tom Dailey read from the newsletter that the ladies luncheon will be at Renee Shawgo's Monday July 18<sup>th</sup> at 12:30 p.m. For those that want to car pool you can meet at Spokane Valley Mall at 11:30 and Carolyn Fries home (509) 466-0203 and Vonnie Satchwell's home (208) 773-4605. Renee requests that you RSVP (509) 447-2149.

**Nominating Committee:** Judy Little reported that they had their first meeting and are working on getting replacements for the vice-president and secretary. She urged members to consider running.

**INCCC:** Bill Schweiter was absent. Chuck Little said those who want to participate in the INCCC Car Show to meet at 5:00 at the Gonzaga baseball field off of Trent and Hamilton.

**Old Business:** Thank you cards from Mel & Beryl Fitzpatrick and Shirley Adams.

**New Business:** Darleene Boller asked about the September general meeting date. A discussion followed as

**GENERAL MEMBERSHIP MEETING MINUTES cont....**

to whether we really needed a September meeting and it was decided we did and that would be September 11<sup>th</sup> same time same place.

**Good of the Order:**

**Tour drawings:** The board decided that all tour drawings will be done at the time of the tour and a check will be sent to the winner as soon as possible.

**General Meeting Time Change:** Tom Dailey told the membership that the board would like the membership to think about whether they would like to have the meeting an hour earlier. John Clark asked the Elks Lodge if this would be okay with them and they said no problem. Tom would like the membership to give this some thought and a ballot vote will be taken at the beginning of 2017 otherwise the time will stay the same this year.

Tom Dailey said that they contributed three items that he and Alice have made (1) V-8 Clock (2) Ford key board (3) Ford pencil holder which he is giving to the Nationals for the Motor Fest. These items have already been shipped.

Don Fries invited the membership to an open house that he and Carolyn are having at their home to celebrate the

completion of his Pierce Arrow to be held August 6<sup>th</sup> from 11:00 a.m. to 3:00 p.m. They will have hot dogs and hamburgers. Don went on to give some facts about the Pierce Arrow.

Gary Davis asked about the East vs. West Reliability Run and if there was going to be one this year. Chris Swenson said they are discussing it to determine if it is feasible this year.

**Drawings:**

**Membership:** Tim Stromberger

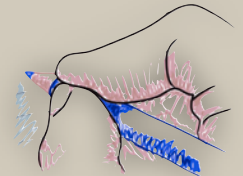

**Old Car:** Jim Adams 1949 black Ford 4 door

Next general meeting will be August 7<sup>th</sup> at Pend Oreille River.

A motion was made by Gail Whitman to adjourn the meeting, seconded by Rick Thompson. Motion passed and the meeting was adjourned

**ANNUAL CAMPOUT, PICNIC & MEETING: AUGUST 5-7**

The Glanders will again be hosting our annual campout August 5-7 at their daughter's cabin (the Lewis') on the beautiful Pend Oreille River. Sunday, August 7<sup>th</sup> will be our club picnic starting at 1:00 p.m., with the meeting to follow at 2:00 p.m. The club will provide main dish, plates and utensils. Please bring the following to share: (A-N, SALAD) (O-Z, DESSERT). Don't forget to bring your own lawn chairs.

The address is 7282 LeClerc Road, Usk, Washinton. Directions are as follows: Go through Newport toward Priest River. Take a left at the end of the bridge. Go about 10 miles. There will be a large green A-frame on the right, up on a hill. A sign with "Lewis" will be at the driveway.

It's a beautiful drive getting to the Lewis'. Make it even more fun by driving your Early Ford V8.

For other accommodations or more information, please cal Butch or B.J. Glander at 509-447-4829 or 208-659-3040.

# A LOOK BACK AT OUR SWAP MEET

The 2016 Early Ford V8 Swap Meet is over and done. From what we've heard, it was a pretty good meet. The weather was just about perfect; not too hot, not too cold... and the rain barely got us wet (nothing we couldn't handle).

The pizza party was well attended and everyone was able to relax and converse after the long weekend. Tom Dailey announced that constructive feedback is needed on what can be done better. You can call any Board member with your ideas or comments or email them to [earlyfordv8ie@gmail.com](mailto:earlyfordv8ie@gmail.com). Working together in a positive way, the swap meet can only continue to improve. All ideas and comments are welcome.

## Thank You Tom & Alice Dailey

A request was received from the Early Ford V-8 Foundation & Museum for our regional group to support Motorfest 7, hosted by Regional Groups from Ohio & Indiana by supporting the People's Choice Raffle at the event July 27-30.

The request was presented at the May board meeting. Tom & Alice Dailey volunteered to make items to send on behalf of Inland Empire Regional Group #23.

The photo shows items sent; V-8 Clock, Ford script key holder and Ford script pencil box.

All proceeds from raffle will go to the Early Ford V-8 Foundation Museum's operating budget.

## A Vendor's Email Message of Thanks to Our Club

Thanks for putting on another great swap meet. This was the first time we have been vendors and were impressed by the committee members help. For many years we have come as buyers; this year we decided at the last minute to be vendors. When we arrived the ladies at the registration gate were wonderful and got us a spot at an inside booth. Then they were awesome at getting us a second spot because we brought too much.

That was when we hit a little bump in the road, when another person checked in and we were accidentally given that spot. All the committee members were wonderful to pitch in and help us move to our new and improved location. Can not wait to do it again next year! Thanks!!

Bob and Pam Emigh

## Flag Etiquette: Submitted by Kitty Janssen

The U.S. flag should be raised and lowered carefully, and not allowed to touch the ground. It should not be flown in inclement weather or at night, unless illuminated. Flying the flag at half-staff is a sign of mourning. On Memorial Day, fly the flag at half-staff from sunrise until noon, then at full-staff until sunset. When saluting the flag, men and women in uniform should give the military salute. Civilians should place their right hand over the heart, and non-citizens should stand at attention. State or organization flags are always flown below the U.S. flag, but flags of other nations should be flown on separate flagpoles, at the same height.

## Shrimp, Lemon, Spinach Linguine

*Sautéed shrimp with caramelized lemons, tossed with shallots, spinach and linguine. Delicious!*

**Prep time:** 15 minutes  
**Cook time:** 30 minutes  
**Yield:** Serves 4

### INGREDIENTS

- 8 ounces linguine pasta
- Salt
- 3 Tbsp olive oil
- 1 whole lemon, quartered lengthwise
- 1/2 cup sliced shallots
- 1 Tbsp minced garlic
- 1 pound peeled, deveined shrimp
- 5 ounces baby spinach leaves
- 1/4 cup freshly grated Parmesan cheese
- Freshly ground black pepper

### METHOD

1. **Heat water for the pasta:** Heat a large pot of salted water (2 quarts of water, 1 Tbsp salt) for the pasta.
2. **Brown the lemon slices:** While the pasta water is heating, cook the lemon slices. Heat 2 Tbsp olive oil in a large sauté pan on medium high heat. Add the thinly sliced lemons to the pan and cook until browned and softened, 7 to 8 minutes. Remove from pan, set aside to cool. Once the lemon slices are cool, mince them.
3. **Start cooking the linguine:** Once the pasta water is boiling, add the linguine pasta to cook.
4. **Sauté shallots and garlic:** Add 1 Tbsp olive oil back to the pan you had used to cook the lemons. Heat on medium high heat. Add the sliced shallots. Cook until softened and lightly browned, about 4 to 5 minutes. Add the garlic and cook a minute more.
5. **Cook the shrimp:** Add the shrimp to the shallots and garlic and cook until pink on one side, then toss them to cook on the other side, about 2 minutes for each side.
6. **Add the spinach, lemon, some pasta water:** Add the spinach and lemon to the pan and toss to wilt the spinach. Add about 1/2 cup pasta water to the pan.
7. **Drain pasta, toss with shrimp and spinach:** When the pasta is done, strain it and add it to the pan with the shrimp (if you have room, otherwise put everything in a separate bowl), toss to coat. Add salt and pepper to taste.

Serve immediately. Sprinkle with grated Parmesan cheese to serve.

## Ford-for-All: A Few of the Best Ford Cars of All Time

Below are seven of Car & Driver's picks for the top 20 cars of all time!

**1) Ford Model T**  
Our top pick for the number-one Ford of all time? Did you really have to ask? Over a period of 20 years Ford built about 16.5 million of these bare-bones, four-cylinder machines at assembly plants around the world. With the Model T, Ford really did put the world on wheels, and in so doing, the world changed.

[Link to Car & Driver's complete article](#)

**3) 1932 Ford V8**  
The Model T put the world on wheels, but it's the 65-hp '32 V-8 that brought power and style to the people. The flathead Deuce is the eternal hot rod.

**10) 1939 Ford Anglia**  
As American cars grew ever larger, the rest of the world needed an honest small car to deal with higher fuel prices and congested former cart paths. Anglia production didn't ramp up until after World War II, but it firmly established Ford as a worldwide company.

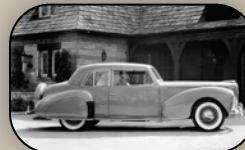

**5) 1948 Ford F-Series**  
It was Ford's first true post-World War II design, and with its "Million Dollar Cab" it was more comfortable and more usable than any pickup before it. The F-series pickups have been among the bestselling vehicles on earth ever since.

**7) 1949 Ford Custom**  
Forget fat fenders and running boards, modern cars of the postwar era would have "envelope" bodies that tidily tucked everything within sleek styling. Think of it as the engineering blueprint that the entire American industry would follow for the next 35 years.

**8) 1953 Ford F-100**  
Arguably, this is the best looking truck ever made. It got even better in '56 when a wraparound windshield perfected the design. And thanks to a modern chassis underneath, the beauty was more than skin-deep. Although many of these have been customized into hot rods, some are still working hard every day.

**15) 1939 Lincoln Continental**  
Young Edsel Ford's personal car became a spectacularly stylish, V-12-powered coupe and convertible. The first Continental remains the ultimate Lincoln.
